additional correctional, how many additional people will be in our correctional facility. Sometimes it's very difficult to do. And, in fact, it may hinder passing future criminal laws but in the interests of good, sound management, I'm in favor of that. My concern is with this section and so I'm going to leave the IPP motion up there. I know there's a few other amendments that are going to be following this that will address some sections to it, but I'll leave this motion up here to try to flush out the purpose behind the bill. Thank you.

SPEAKER BAACK: Senator Warner.

SENATOR WARNER: Mr. President, I'd move we adjourn until 9:00 a.m., May 11.

SPEAKER BAACK: Do you have items for the record, Mr. Clerk?

CLERK: Mr. President, I do. Your Committee on Enrollment and Review reports LB 544A and LB 629 as correctly engrossed, those signed by Senator Hohenstein as Enrollment and Review Chairperson. Senator Warner and the Revenue Committee members offer amendments to LB 345, Senator Wesely to LB 817. A reminder, Mr. President, public hearings this afternoon, some commencing at noon to include the Banking Committee, Education Committee and then the Agriculture, no, that committee is gone, Banking and Education and two o'clock, Government, Health and Judiciary Committees will be meeting. That's all that I have, Mr. President. (See pages 2003-04 of the Legislative Journal.)

SPEAKER BAACK: Thank you, Mr. Clerk. You've heard the motion to adjourn. All those in favor say aye. Opposed no. We are adjourned.
